ANSWER the following question. Follow the example:

Debes contestar 2 preguntas. Sigue mis respuestas como ejemplo para escribir las tuyas.

a) What makes you feel happy?

It makes me feel happy to spend time with my husband and children. Also, it makes me feel happy to know that the people I love are O.K.

b) What is more important for you: money, family, friends, other things? Why?

I think that family is more important than having a lot of friends and money to be happy. For me it is more important my family because they make me feel complete and secure.

Now it is your turn
